To Whom It May Concern

**SUBJECT: TALL ORDER**

The Australian Olympic Committee (AOC) had the pleasure of working with Julie Burke of Tall Order in developing a catering plan for the Australian Olympic Winter Team's proposed Subsite accommodation to be in operation during the 2010 Olympic Winter Games in Vancouver.

The planning phase of this project spanned the best part of 12 months and throughout this process Julie demonstrated the upmost professionalism in all aspects of her work and communication.

Julie's experience, coupled with her attention to detail enabled her to bring to the catering project a foresight and thoroughness the AOC could not have done without. She was meticulous in her planning, transparent in the provision of information and production of documentation. Further, her loyalty and dedication demonstrated throughout the project was an inspiration.

I would have no hesitation in recommending Julie Burke and Tall Order to any organization requiring a catering service of exceptional quality. Whether the project demands complex planning, flexible delivery in an unpredictable environment, or the management of delicate issues and people, I believe Julie Burke is a person of the highest integrity and together with her team at Tall Order would rise to any catering or event-based challenge assigned to them.

Yours sincerely
